Our emails just crossed. Hopefully the three times I said I could do will work for Colby/Emma

What's your availability Tim? It would probably help to have someone familiar with the project on the line from R1, but it's probably okay if it doesn't happen too. Wondering if John Moskal could attend this if we need someone there.

Hi Colby,

I would say to go ahead and proceed if you and Emma have availability, but let me know if you want a R1 representative on the line and we can find someone. Keep us in the loop on scheduling, maybe Tim has availability as well.

Eric

Hi Colby,

That's really great to hear BOEM reached out!

I prefer next Wednesday (12/15) at 10am or 2pm, but I'm definitely OK with it if Tim and/or Eric can make it instead and you go ahead without me. I've been heavily involved in the Future of Work negotiations for AFGE, and will be involved with upcoming Master Collective Bargaining Agreement (MCBA) negotiations too; so I'll have limited availability in the near future.

Hi All,

As an FYI, please see the note below from BOEM—they reached out to discuss AVERT and COBRA.

Emma,
I'll use your calendar to find a convenient time to meet.

Thanks,
Colby
